Turn to page 860 using the church Bibles.

### **SERIES VISION**

Equipping every person to participate in multiplying disciples and churches to the glory of God.

### **BIG IDEA**

God is greater than all earthly powers, so pray like it!

### **Pray Like...**

1. The plan of God > The plans of earthly powers.  
(v. 1-5)

2. The armies of God > The armies of earthly powers.  
(v. 4-11)

3. The ability of God > Our imagination of his power.  
(v. 12-19)

4. The word of God > The pomposity of earthly powers. (v. 18-24)

## APPLICATION –

**HEAD** – What does God want you to understand from this passage of scripture? Using your sermon notes, identify and explain in your own words the main point of what these verses are teaching. Was there anything you didn't understand?

**HEART** – As this truth was preached on Sunday, how was God moving in your heart? (*Examples - Did he bring conviction? Did he cause celebration? Did he call you to any acts of obedience? Did he clarify something that you need to actively believe?*)

Are there any themes that you noticed in the sermon that the Lord has also brought to your attention recently as you encounter his truth (Prayer, Bible reading, books, conversations with other believers, etc.)?

**MOUTH** – What will you share about what God was doing in your head and heart that will encourage and edify your brothers and sisters at Gospel Community and/or in other meaningful relationships? (**Note:** this is not a discussion question for GC, but is meant to sharpen your Gospel Community sermon discussion.)

## **HANDS AND FEET –**

Relying on the Spirit, what will you do to act on what the Lord was doing in your heart?

How will you disciple someone else in their dependence on and devotion to Jesus in light of these realities? Who will this be?

When will you do this?
